

THE MASSACHUSETTS MEDICAL SOCIETY

JOINTLY PROVIDES WITH

MASSACHUSETTS SOCIETY OF CLINICAL ONCOLOGISTS

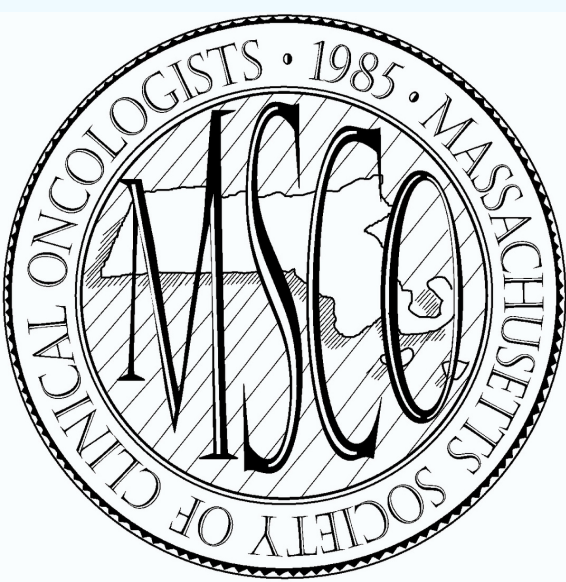

2021 MSCO ANNUAL MEETING MUSICOPHILIA: AN EVENING OF MUSICAL TALES IN ONCOLOGY

Through story and fact, the value of music and music therapy in oncology will be presented. Client stories on the use of music for resilience, anxiety management, and pain management will be presented through live and recorded examples to stimulate interest and advance knowledge of the myriad of ways that music can enhance well-being through cancer treatment, palliative care, and hospice care.

Learn how music therapy can help both you and your patient.

MUSICOPHILIA: AN EVENING OF MUSICAL TALES IN ONCOLOGY

OBJECTIVES

After participating in this activity, attendees should be able to:

1. Explain the biological rationale for music in oncology.
2. Distinguish music therapy from music-based interventions in oncological settings.
3. Identify patient profiles that would benefit from music therapy interventions, namely pain, and anxiety.
4. Learn ways to improve their own relationship to music and the ways those relationships can be advanced to support their roles as caregivers.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and the Massachusetts Society of Clinical Oncologists. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

The Massachusetts Medical Society designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
